VUOAAH - alt. spelling of German *woah*, which is the same spelling as the alt. spelling of the English *whoa*

The principle is best expressed by the lyrics from the song [woah](#):

I took a shot for seventy minutes  
Thought I was done, but it's just the beginning  
Woah  
Woah

– [quinn](#) (which is an alt. spelling of *osquinn*)

This quite catches the air of indecision oozing from the work presented here.
